Yesterday, we took a meaningful step in our commitment to impactful healthcare initiatives by contributing to Tata Memorial Hospital's Oral Cancer Program through our CSR efforts. Grateful to Dr. Atul Budukh & Ms. Sunita Rao for the opportunity to support the screening, prevention & treatment of over 5,000 patients. Together, we can make a difference in the fight against oral cancer.

On behalf of the entire team of **WITH AARYA**, we wish to thank you for your contribution towards the cause that we have picked. We are extremely grateful of people and organizations like yours which in some form or other help us make a small difference in lives of few. We look forward to your continued support to take this initiative to newer heights. 🙏🙏

Sponsoring Skill Development Programme by Rotary Club, Mumbai

As part of our CSR, 10 under-study Paramedics were supported by HD Fire Protect in association with RCMP for their on-going training and Certification programs. Certificates were distributed at an event held **Kokilaben Dhirubhai Ambani Hospital** Mumbai. These worthy students, from marginalised class of society, will soon be ready to serve the healthcare needs of our city Mumbai. As per a recent report, India is understaffed for its Paramedics requirement. Paramedics are skilled technicians working in pathology, OT, Radiology etc etc departments and pivotal to delivery of quality healthcare service. **#CSR #healthcare #hdfire #socialimpact #Mumbai**
